digestwel+TM
chewable enzymes

NATURAL FULL SPECTRUM DIGESTIVE AID

With Avisae's **digestwel+**TM chewable enzyme, you can help replenish the gut's dwindling enzyme stores. Take them with (or right before) meals—especially when you eat out—to aid your digestion process.

digestwel+TM is a natural, full-spectrum digestive aid that delivers a broader range of enzymes at a higher level of activity per serving than most other enzyme formulas on the market.

digestwel+TM aids in breaking down foods into basic nutrients such as: amino acids (from proteins), fatty acids and cholesterol (from fats), and simple sugars (from carbohydrates), as well as vitamins, minerals, and a variety of other plant and animal compounds.

Key Benefits

- Ensures optimal digestion of food components for increased nutrient absorption
- Improves digestive function
- Reduces gastric reflux and intestinal discomfort
- Assists in the prevention of weight gain
- Promotes Immune Health

Product Features

- Full spectrum digestive aid
- Boosts nutrient absorption
- Rapid release & delivery
- Sugar free
- Made in the U.S.A. according to rigorous FDA GMP standards
- Free from preservatives, toxins, pesticides and heavy metals
