DIGESTIVE & GUT HEALTH

Avisae's **pre+probiotics™** **pixie** is a synbiotic blend of 5 active probiotic strains and 2 prebiotic fibres that ensure the growth and viability of healthy gut flora, and are the perfect way to replenish the good bacteria that as been depleted by unhealthy foods and the use of antibiotics.

Take them after your meal for ultimate gut balancing benefits and especially during the use of antibiotics to replenish the loss of good bacteria. Simply pour the stick on your tongue to experience the positive and sweet benefits of Avisae's **pre+probiotics™** **pixie**.
